

What does a Jerusalem Project visit look like?

Step 1: Greet the person who comes to the door: “Good evening, my name is Craig Richardson and I’m from First Baptist Summit. Our group is out tonight making prayer visits. Would it be ok if our group prayed with you?”

If you get a “Yes”: “What prayer requests do you have?”

Listen and include those in your prayer. Then go on to Step 2 below.

If you get a “No”: say “Ok” and go on to step 2.

Step 2: As You leave, say: “We want to encourage you to worship somewhere this weekend. Here’s a list of Summit area churches and their service times including our church, too. You’d be welcome to come worship with us. Good night and God bless you.”
