SECURITY MINISTRY TEAM

Ministry Description at a glance – Monitor the foyer of sanctuary and parking lots on Sunday morning (both services) and Sunday night and the following Wednesday twice a year in 2010.

Specifics

- 1) On Sundays, be a **welcoming presence** in the foyer before worship beginning on Sundays at 8:45 a.m. and 5:45 p.m.
 - ❖ As you arrive on duty, scan the congregation to know where available seats are for late arrivals/guests and help late arrivals/guests find a place to sit by ushering them to the available seat(s). While you are in the foyer during worship be available to assist people with information regarding the nursery, restrooms, first aid, etc. as needed during the service.
 - ❖ During Sunday worship services, periodically monitor the foyer, hallways, entrances (east, west, and south), and parking lots for **security** one man at a time. We should always have one person in the foyer. Two security team members should drive the entire campus every 15 minutes on one of the golf carts to provide security for the vehicles on campus.
 - 2) On Wednesdays, be on duty in the parking lots from 6:00 – 7:30 p.m. Please bring a flashlight for evening patrol.

FAQ...

❖ **See this * by your name?**

You are the one designated to carry a pager from the nursery. If you are that person: ***Get a pager from the nursery** by 8:40 a.m. for Sunday morning worship, 5:40 p.m. for Sunday evening worship, and 5:55 p.m. on Wednesdays. **MAKE SURE YOU RETURN THE PAGER AFTER EACH WORSHIP SERVICE.** If you are the one designated to carry a pager, it will be listed on the schedule once it is completed and mailed out.

❖ **What do I do if I encounter someone engaged in suspicious activities?**

- 1) Make your presence known but do not confront.
- 2) Call the police (911) and let them handle it.

❖ **What if I have a conflict and cannot be there on my assigned Sunday?**

If you can not serve on your assigned Sunday, please switch with someone on the schedule by calling them or call Tim Leonard (734-6419, 248-8754) or Craig Richardson (276-2551, 551-6390). This is an important ministry and we want to make sure someone is on location every week for security.

❖ **Can I get a reminder of my assigned week?**

You will receive a post card in the mail on the week prior to your assigned week to help you remember when you are scheduled. Thanks again for being a part of this ministry team.
