

Hey Guys,

Please find your name on the schedule and take notice of your responsibility. This schedule covers January of 2012 through August of 2012 as I am trying to line up this schedule with our church year (Sept-Aug). I will make a new schedule in August of 2012 for the church year starting in September 2012 that will go through August 2013. Read page 2 carefully as well even if you're a seasoned veteran with our security ministry.

NOTE: We need 4 guys on duty each week and are counting on you to be here on your assigned week. If you cannot be here on your assigned Sunday or Wednesday, contact someone on another week and switch with them, and then let me know so we can send a reminder (via email or regular mail) to the correct person.

SECURITY MINISTRY TEAM

Ministry Description at a glance – Monitor the foyer of sanctuary and parking lots on Sunday morning (**both services**) and Sunday night and the following Wednesday twice a year.

Specifics

- 1) On Sundays, be a **welcoming presence** in the foyer before worship beginning on Sundays at 8:45 a.m. and 5:45 p.m.
 - ❖ As you arrive on duty, check in with one of our security coordinators (Robert Bryan or Greg Duncan) and get a security badge to wear. Scan the congregation to know where available seats are for late arrivals/guests and help late arrivals/guests find a place to sit by ushering them to the available seat(s). While you are in the foyer during worship be available to assist people with information regarding the nursery, restrooms, first aid, etc. as needed during the service.
 - ❖ During Sunday worship services, periodically monitor the foyer, hallways, entrances (east, west, and south), and parking lots for **security** one man at a time. We should always have one person in the foyer. At least one security team member (the one highlighted on the schedule) should **drive the entire campus** every 15 minutes on one of the **golf carts** to provide security for the vehicles on campus. There is also one security team member assigned to the nursery. See * on the schedule. **Please stay on the move and do not sit in the chairs under the stairwell** in the sanctuary foyer as we have those reserved for people who have to leave the services because of issues with children or health and want to continue to watch the service.
 - 2) On Wednesdays, be on duty in the parking lots from 6:00 – 7:30 p.m. Please bring a flashlight for evening patrol if we are not under daylight savings time.

FAQ...

- ❖ **What time should I arrive?** By 8:40 a.m. and 5:40 p.m. on Sundays and 5:55 p.m. on Wednesdays.
- ❖ **What should I do when I arrive to church on my assigned Sunday or Wednesday?** Get a security badge so you can be identified as security. Look for Tim Leonard for any special instructions for that day.
- ❖ **Why is this * by my name?**

You are the one designated to carry a pager from the nursery. If you are that person: ***Get a pager from the nursery** by 8:40 a.m. for Sunday morning worship, 5:40 p.m. for Sunday evening worship, and 5:55 p.m. on Wednesdays. **MAKE SURE YOU RETURN THE PAGER.** If you are the one designated to carry a pager, it will be listed on the schedule once it is completed and mailed out.
- ❖ **Why is my name highlighted?**

You are the one designated to drive the golf cart around the property every 15 minutes for security. See instructions above. The key is above the sink in the welcome center on the left side of the cabinet.
- ❖ **What do I do if I encounter someone engaged in suspicious activities?**
 - 1) Make your presence known but do not confront.
 - 2) Call for help: (601-783-2323: Pike Co Sherriff, 601-276-9511: Summit Police, or 911) and let them handle it. **Put these numbers in your cell phone.**
- ❖ **What if I have a conflict and cannot be there on my assigned Sunday?**

If you can not serve on your assigned Sunday, please switch with someone on the schedule by calling them or call Tim Leonard (734-6419, 248-8754) or Craig Richardson (276-2551, 551-6390). This is an important ministry and we want to make sure someone is on location every week for security.
- ❖ **Can I get a reminder of my assigned week?**

You will receive a post card in the mail on the week prior to your assigned week to help you remember when you are scheduled. I would suggest putting a reminder in your phone for the Saturday before your assigned Sunday. Thanks again for being a part of this ministry team.
- ❖ **What else should I know?** The sitting area underneath the stairs in the foyer of the Sanctuary is not for security. Please do not sit there. Mom's and Dad's with family "issues" need that space and will not ask you to move. Please leave it open for them.
